**CERTIFICATE OF CORRECTIONS BRANCH**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicants hereby request that the requirements of 37 C.F.R. §3.81(a) be waived to permit the correct spelling of the inventor's last name after issuance of the patent.

As indicated on the Request for Certificate of Correction filed concurrently herewith, the spelling of the inventor's name should be corrected to read as follows:

Joseph R. Putnak

Attached is a copy of the original Declaration and Notice of Recordation of Assignment Document, along with a copy of the Recordation Form Cover Sheet (PTO-1595), which denotes the correct spelling of the inventor's last name. As such, the misspelling of the inventor's last name originated in the Patent Office. Therefore, it is believed that payment of a fee is unnecessary.

Should any further questions arise with regard to the above, it is respectfully requested that the undersigned be contacted so that any such issues may be adequately addressed and processing and granting of this Petition, and the Request for Certificate of Correction be expedited.
